

# Vet-Exam<sup>plus</sup> & Vet-Exam<sup>intra</sup>

Interface for patient data exchange with practice management systems

DÜRR MEDICAL informs that this interface was implemented on the following practice management systems with the latest version of the Vet-Exam<sup>plus</sup> and Vet-Exam<sup>intra</sup>. The acquisition of the additional option "Connect" is necessary to achieve this.

- EasyVet\*
- myANIWIN
- VetInf
- Vetera
- MacVet
- VetOfficePlus
- Animal Office
- OblonData
- Diana Software

\* in conjunction with EasyImage via Dicom MWL interface (available directly from DÜRR MEDICAL)
